

Apus 12V

Because of its slimline design, the Apus LED strip is an ideal solution for illuminating spaces above and below cabinets and other areas where uniform, indirect light is required. With the Apus strip, you can create a continuous line of light. The range offers three light output and two colour temperature options. Suitable applications include offices, residential properties and hotels. A separate dimmer unit offers two control options: push button (Push dim) and Dali dimming control. By special request, the luminaire is available with the Casambi control system, cut to measure and installed inside a profile, when necessary. Easy-to-install connectors are available as accessories.

- Uncoated LED strip, 12 V.
- Protection class III.
- Length 5 m.
- The maximum length of the continuous line of light 8 m.
- Connecting wires 1.5 m.
- The luminaire is recommended for use with Airam's profiles. The product comes with a self-adhesive for surface mounting.
- Colour temperature 3,000 K and 4,000 K.
- MacAdam 3 SDCM.
- IP20.
- 25 W / 5 m reel: 5 W, 580 lm/m; 50 W / 5 m reel: 10 W, 1000 lm/m; 65 W / 5 m reel: 13 W, 1200 lm/m.
- On/off, Push dim, Dali.
- Ambient temperature range 0 ... 25 °C
- Rated life time L70 50,000 h (Ta25°C).
- Also available with the Casambi control system on a project-specific basis. Can also be cut to measure and installed in a profile, when necessary.
