

Handy

Our popular worktop luminaire range Airam Handy is designed for illuminating work areas in kitchens and utility rooms. Before mounting, the LED lamp's colour temperature is selected via a mechanism within the luminaire frame. The options are 3,000 K (pure white) and 4,000 K (bright white). The luminaire is available with four length and four power options. Handy luminaires can be mounted flush against the surface or at an angle of 45°. Read more about our Handy luminaires with an earthed double socket and an on/off switch for luminaire-specific control of lighting.

- Aluminium body and polycarbonate diffuser.
- Protection class I.
- Surface mounting, linkable, 4 x 2.5 mm² (luminaires with sockets) or 3 x 2.5 mm² (luminaires without sockets).
- Power, luminous flux, and length options:
 - LED 5 W, 500 lm / 450 mm
 - LED 8 W, 800 lm / 550 mm
 - LED 11 W, 1,200 lm / 750 mm
 - LED 14 W, 1,500 lm / 1,100 mm
- The LED lamp's colour temperature (3,000 K or 4,000 K) is selected before installation. CRI > 80 / Ra > 80.
- The handedness of the socket can be changed, making the luminaire suitable for left- and right-handed installation.
- Enclosure class IP21.
- Ambient temperature range of 5 to 25 °C.
- Rated lifetime L70B50 60,000 h.
- Protective cover against dripping available as accessory.
- DSO = Double shuko power socket.
