

## Target M

Target M offers an ideal spotlight solution for retail premises. This luminaire offers high-quality illumination and excellent colour rendering properties. Its Premium White feature is specifically designed for in-store spot and accent lighting. The feature enhances colour contrasts, emphasising white colour tones. The luminaire is equipped with an almost inconspicuous ballast that is integrated into a three-phase rail. Thanks to its versatility, this luminaire offers a wide range of lighting options for retail spaces as it is easy to move and adjust. Suitable applications include fashion and clothing retail premises, museums and other public spaces.

- Pressure-cast aluminium housing. Polycarbonate diffuser. Adjustable and rotating, bevelled aluminium reflector 36°. Options 15°, 25° and 60° as accessories.
